- The Ministry of Education's "Subsidy Program for On-Campus Accommodation for University Students" provides subsidies for Taiwanese students living on campus. The subsidy amounts for each semester are detailed as follows:
 - General Students: A subsidy of NT\$5,000 is provided for a 20-week semester accommodation period. The subsidy is prorated to the bed fee at NT\$250 per week.
 - Economically Disadvantaged Students: A subsidy of NT\$7,000 is provided for a 20-week semester accommodation period. The subsidy is prorated to the bed fee at NT\$350 per week.
 - Economically disadvantaged students refer to those from low-income and middle-to-low-income households.
 - General students or those who have already applied for tuition waiver do not need to apply separately for the subsidy. The registration payment form will list the "Executive Yuan On-Campus Accommodation Subsidy" item, with the subsidy amount deducted.
 - Overseas students of Taiwan nationality, overseas Chinese students, or low-income and middle-to-low-income students who have not applied for tuition and tuition waiver with the Student Assistance Division should contact the Student Housing Service Division to apply before the registration deadline.
